

HOW TO FILL OUT THE NORMALCY APPLICATION

IMPORTANT: This is a simple form that does not allow you to save and come back later, so you will want to have all the necessary information prior to filling out the form.

1. **WHAT IS NEEDED?** For our purposes here, we will be requesting that a 7 year old GAL child participates in a Fall Soccer Program. Please confirm with the caregiver that they will be able to ensure that whatever you request will be able to be used. For instance, if the caregiver is unable to provide transportation to the child for the soccer program a different kind of request that doesn't require transportation would be better.
2. **WHERE IT SHOULD BE PURCHASED?** MAIN CITY RECREATION CENTER
3. **HOW IT WILL BE PAID FOR?** You will want to determine the method of payment by calling the provider. Our preference is for a Credit Card purchase either by phone or online, but we can provide a check with enough notice. (We only cut checks on the 1st and 15th of the month). In this case, Main City Recreation Center allows us to pay via credit card by calling. You will want to provide the phone number for us to call. If it is via web, we will need the website, and if it a check by mail, we will need the address. A follow up question if an item is to be purchased and shipped, is **TO WHOM AND WHERE SHOULD IT BE SHIPPED?** You will want to have this information as well prior to application.
4. **HOW MUCH DOES IT COST?** Participation is \$75.
5. **WHEN IT NEEDS TO HAPPEN?** What is the starting date and/or when would you like to have the item to give to the child?
6. **WHY SHOULD WE FUND IT?** This is the time for you to tell us a story. Make it compelling and give us a bit of insight into why this item would be of benefit to this child.

On the following pages, we will walk you through step by step the process of filling out the application. If you prefer to see a video, you may find that [here](#).

We generally support children whose cases originated in Pinellas and Pasco Counties but in some circumstances we will also support children from other circuits who are living in Pinellas and Pasco County and being visited by a Circuit GAL. Visiting GALS should first request assistance from the originating circuit for any non-emergency needs. For Pinellas and Pasco children placed in another circuit (outside Tampa Bay area), GALF will consider normalcy and tutoring request on a case by case basis.

Let us know your role.

Once you have filled out your name, email address and cell phone number (landline if you do not have a cell), the origination county and your role, you will click Next Page.

JoJo has never played on a team before or been able to participate in a group activity, she also has trouble sleeping and I think that soccer will help her in so many ways. Jo Jo is a great kid, with such huge challenges ahead of her and I think this will be a great outlet and opportunity for her.
